

ST HUBERT'S WINERY IN
THE YARRA VALLEY

MAN'S BEST FRIEND WILL ENJOY THIS OUTING

WHY NOT INDULGE YOUR LOVE OF TRAVEL, FOOD AND WINE WITH YOUR LOYAL FOUR-LEGGED FRIEND

Gourmet Pawprints offers you the chance to take your precious pooch on a day out to the great wine regions of Victoria – the Mornington Peninsula, the Yarra Valley, Daylesford and the Bellarine Peninsula. As well as enjoying wine, beer and cider tastings and feasting on a gourmet lunch, you can stroll along off-leash beaches and play ball in beautiful parks with your dog. Venues vary but it's always a fun day out.

The Yarra Valley Doggy Winery tour might begin with a stroll from Sandridge Beach to pick up a coffee for the bus ride to Lilydale Lake, where you can stretch your legs before heading to St Hubert's at Coldstream for a wine tasting. Enjoy a two-

course lunch with matching wines on the lawn at Domaine Chandon, where your four-legged friends can stretch out on the grass beside you, then finish the trail at Train Trak Vineyard before returning to Melbourne.

On the Mornington Peninsula Doggy Winery Tour, guests might visit Willow Creek, known for its 2008 Brut Sparkling and Big Cow Olive Oil, before venturing to Flinders Beach for off-leash romping and splashing. Dogs can lounge around on the grass while the humans enjoy a two-course lunch at one of the region's finest restaurants before taking a short walk to Mock Red Hill for a cider and cheese tasting before the journey home.
